Abstract Submission for Posters & Short Talks

by e-mail to: dk-mcd@medunigraz.at
Deadline: October 22, 2017

DFP credits

This symposium has been accredited for continuing medical education with 10 DFP points (event ID: 594749).

From all submitted abstracts, the Scientific Committee will select short talks and posters and inform the submitters by October 25, 2017.

Accommodation

For active participants (presenters of short talks and posters) a limited contingent of free single and double rooms is available.

Please indicate in the abstract submission (October 22) if you also apply for a room („first come – first serve“). In case of double rooms, please indicate with who you would like to share it.
