

Invitation

Lecture

"Use of confocal microscopy to study contractility and volume in cardiomyocytes and mitochondrial fusion in neurons"

Speaker: **Dr. Michal Cagalinec, PhD.**
Senior Research Fellow
Department of Pharmacology
Faculty of Medicine
University of Tartu - ESTONIA

Date: Monday, March 25th, 2013; 4 pm to 5pm
Place: KW SZ 21

Prof.Dr. B. Pieske
Ludwig Boltzmann Institute for
Translational Heart Failure Research
An Institute of the Ludwig Boltzmann Gesellschaft
Director
Stiftingtalstrasse 24, 8010 Graz, Austria

Head, Department of Cardiology
Medical University Graz
Auenbruggerplatz 15 ,8036 Graz, Austria

Ass. Prof. Dr. Frank Heinzel
Ludwig Boltzmann Institute for
Translational Heart Failure Research
An Institute of the Ludwig Boltzmann Gesellschaft
Vice Director / Key Researcher Basic Science
Stiftingtalstrasse 24, 8010 Graz, Austria

Assistant Professor, Dept. of Cardiology
Medical University Graz
Auenbruggerplatz 15 ,8036 Graz, Austria
