---

### Personal Information

Born: 1963 in Potsdam, German Nationality;

Married: with Dr. Christian Berg, two sons: Clemens and Lorenz; 28 and 25 years old

### Education and Professional Experience

- 1969-1981 School and Grammar School in Potsdam, German High school degree (Abitur)
- 1981-1986 Studies in Biology at the University of Rostock (Diploma)
- 1986-1987 Research studies in Microbiology/Biotechnology at the University of Greifswald
- 1995 Dissertation, Dr. rer. nat. (Microbiology), Plant Sciences at the University of Rostock
- 1996-2005 Assistant Professor of Microbiology at the University of Rostock
- 2001 Habilitation and *Venia legendi* (Microbiology), University of Rostock
- 2005- Professor of Environmental Biotechnology, Graz University of Technology

### Selected Professional Activities

- 2001- Elected Member of the International *Verticillium* Steering Committee
- 2004-2012 Head of the Working group "Biological control" of the DPG
- 2009-2014 Board member of the ÖGMBT (Austrian Society for Biology and Biotechnology)
- 2010- Member of the Senat of the TU Graz

### Editorial work/ Review Panel Memberships

Academic Editor: *PLoS One*, Phytopathology; Guest Editor: *Frontiers Microbiology*, *Agronomy*

Editorial board: *FEMS Microb. Ecol.* (2000-2010), *The ISME Journal* (Nature Pub. 2005-)

Reviewer for scientific projects: Deutsche Forschungsgemeinschaft (Sonderforschungsbereiche, Forschergruppen), EU, Helmholtz Gemeinschaft, National Science Foundation (USA), Mase (Sweden), Schweizerischer Nationalfonds zur Förderung der wissenschaftlichen Forschung, NOW Netherlands Organisation for Scientific Research, Technology Foundation STW Research (The Netherlands), The Israel Science Foundation

### Membership at Scientific Advisory Boards and Program Committees

Marrone Bio Innovations, Inc. (CA); Biotenz GmbH (Austria); Abitep GmbH (Germany; Austrian Center of Industrial Biotechnology (ACIB GmbH), BIOFECTOR EU project (FP 7)

### Selected invited talks/Key note lectures (selected)

2016 Royal Dutch Society of Microbiology; 2016 JGI Microbial and Plant Systems Modulated by Secondary Metabolites Meeting USA; 2014 IOBC Sweden; 2014 International Mycological Congress Bangkok; 2010 Rhizosphere9 Perth; 2007 Bioeconomy Tanjung; 2005 Biocontrol Christchurch; 2002 ENAMA Rio de Janeiro; 1999 European Congress Biotechnology Brussels
