# 2<sup>nd</sup> Session

## INSPIRING INNOVATION:

Inspiring innovation stories from future-shaping pioneers

In this **interactive learning experience**, pioneers from the Medical University of Graz and other institutions will share their **personal stories** of innovation.

You will have the **opportunity to participate**, learn from the successes and failures of the pioneers, and **gain insight** into the innovation process that has led to the identification of future potential.

The events on the 23<sup>rd</sup> and 25<sup>th</sup> of May will focus on two main topics: **,Innovation by transforming perception:** the interplay between creative and innovative thinking and changing your perspective' and **,Bringing your innovation into the world:** strategies for launching new products and services'.

**Immerse yourself** in the world of innovation and be inspired by **real-life, personal stories** from pioneers shaping the future.
