

GUEST LECTURE

Research Field Neuroscience

Recent Advances in Biomarkers of Neurodegenerative Diseases: Contributions of Mass Spectrometry-Based Proteomics and Ultrasensitive Assays

Prof. Sylvain Lehmann

Director of the Institute of Neuroscience of Montpellier (INM-INSERM)

Director of the Montpellier Centre of Excellence in Neurodegeneration

Head of Clinical Biochemistry and Proteomics Unit

16.10.2025, 14:00

Neurology Auditorium, Auenbruggerplatz 22, 1st floor

Contact person: Prof. Michael Khalil
